

EAS Advanced Course in Rare Lipid Disorders

Friday September 27, 2024,

Course directors: Evangelos Liberopoulos, Haralampos Milionis |

Location: Royal Olympic Hotel, Athens | Language: English

Time (EET)	Topic	Speaker
09:00-09:10	<i>Welcome</i>	Evangelos Liberopoulos , Professor, School of Medicine, National and Kapodistrian University of Athens, Greece Haralampos Milionis , Professor, School of Medicine, University of Ioannina, Greece
09:10-09:40	<i>Overview of human lipid metabolism</i>	Alexandros Tselepis , Emeritus Professor, University of Ioannina, Greece
09:40-10:10	<i>Homozygous familial hypercholesterolemia: Genetics, diagnosis, established and emerging therapies</i>	Evangelos Liberopoulos , Professor, School of Medicine, National and Kapodistrian University of Athens, Greece
10:10-10:40	<i>Extreme high lipoprotein(a) levels: Genetics, pathogenesis, and emerging therapies</i>	Niki Katsiki , Assistant Professor, International University of Greece, Greece
10:40-11:10	<i>Coffee Break</i>	
11:10-11:40	<i>Sitosterolemia: Molecular background, clinical presentation, and treatment</i>	Theodosios Filippatos , Associate Professor, School of Medicine, University of Crete
11:40-12:10	<i>Dysbetalipoproteinemia and apolipoprotein E –rare syndromes and impact in the general population</i>	Jeanine Roeters Van Lennep , Professor, Department of Internal Medicine, Erasmus Medical Center Cardiovascular Institute, University Medical Center Rotterdam, Rotterdam, the Netherlands
12:10-13:50	<i>Lunch Break</i>	
13:50-14:20	<i>Low HDL cholesterol disorders: Genetic predisposition and future therapeutic possibilities</i>	Kyriakos Kypreos , Professor, School of Medicine, University of Patras, Greece
14:20-14:50	<i>Lysosomal Acid Lipase Deficiencies: Molecular basis, clinical phenotypes and treatment options</i>	Haralampos Milionis , Professor, School of Medicine, University of Ioannina, Greece
14:50-15:20	<i>Coffee Break</i>	
15:20-15:50	<i>Chylomicronemia syndrome: Molecular background, clinical presentation, and therapies.</i>	Stefano Romeo , Professor, Institute of Medicine, Sahlgrenska Academy, Gothenburg
15:50-16:20	<i>Hypobetalipoproteinemia and abetalipoproteinemia</i>	Fotios Barkas , Assistant Professor, School of Medicine, University of Ioannina, Greece
16:20-16:30	<i>Concluding remarks</i>	Evangelos Liberopoulos , Professor, School of Medicine, National and Kapodistrian University of Athens, Greece Haralampos Milionis , Professor, School of Medicine, University of Ioannina, Greece
